JERSON TAGULAO

IT SUPPORT & NETWORK TECHNICIAN INTERN

Bamban Tarlac | +63 994 460 4096 | jersontagulao8@gmail.com | https://ukree1.github.io/MyResume/

OBJECTIVE

I'm a BS Information Technology student with a solid foundation in IT support, computer networking, and web-based system development, and I'm eager to learn and grow in hardware and software troubleshooting. Completed Cisco Networking Academy CCNA courses in Introduction to Networks and Switching, Routing, and Wireless Essentials. Seeking an OJT opportunity as an IT Help Desk, Junior Web Developer, or Network Technician to apply and further develop my technical skills while contributing to organizational improvements.

EDUCATION

Bachelor of Science in Information Technology | 2023 - Present (Expected Graduation: 2027)

Dominican College of Tarlac

- Web Development and Systems Analysis and Design
- Computer Networks

PROJECTS

IT Ticketing System | React, Firebase, JavaScript | 2026

Full Stack Developer

https://ticketing-system-zeta-steel.vercel.app

- Developed a web-based IT Ticketing System that allows users to submit, monitor, and track IT support requests.
- Implemented secure user authentication, role-based access control, and real-time ticket updates using Firebase.
- Deployed the application on Vercel and managed source code using Git and GitHub.

EvOSAS Student Discipline Management System | React, Firebase, JavaScript | 2025-2026

Co Programmer

https://evosas-dct.com/

- Contributed to the development of a web-based management system for the Office of Student Affairs and Services (OSAS).
- Assisted in developing modules for student disciplinary records and case management.
- Collaborated with the development team using React, Firebase, HTML, CSS, JavaScript, and Firebase.

LEADERSHIP

Supreme Student Council (SSC) | 2025 - 2026

Student Discipline Officer

Dominican College of Tarlac

- Assisted in implementing school policies and disciplinary procedures.
- Maintained accurate disciplinary records and documentation.
- Strengthened leadership, communication, teamwork, and organizational skills through active student governance.
